

November 11, 2021

Dear Resident:

Subject: City Trunk Line South Unit 3 Project Update – **Construction of Work Areas 7 and 8** Along Whitsett Avenue from South to North of Oxnard Street

The Los Angeles Department of Water and Power (LADWP) started construction on the City Trunk Line South Unit 3 Project (CTLS3) in April 2016 and will continue through late 2022. The project is divided into 14 work areas (see work area locations on map below). As essential city workers, our crews continue to work on critical water and power infrastructure improvement activities while following recommended health and safety guidelines to protect against the spread of COVID-19.

**Construction will begin at Work Areas 7 and 8 in late-November. Work Areas 7 and 8 are located near Whitsett Avenue and Oxnard Street and will be under construction through September 2022. Construction activities will require the following traffic modifications along Whitsett Avenue:**

- Traffic along Work Areas 7 and 8 will be reduced to one lane in the north and southbound directions.
- Street parking will not be available.

For construction information, please contact Eric J. Kim, Project Manager, at (213) 367-0013 or [Eric.Kim@ladwp.com](mailto:Eric.Kim@ladwp.com), Jennifer T. Akashi, Assistant Project Manager, at (213) 367-1992 or [Jennifer.Akashi@ladwp.com](mailto:Jennifer.Akashi@ladwp.com), or Michael M. Ventre, Community Affairs Liaison, at (213) 367-1381 or [Michael.Ventre@ladwp.com](mailto:Michael.Ventre@ladwp.com). Project information and updates are available at: [www.LADWP.com/ctls3](http://www.LADWP.com/ctls3).
