LADWP BARREN RIDGE RENEWABLE TRANSMISSION PROJECT

BR RTP Map

Date: 11/5/2014

1:100,000

Legend

- Project Components**
- ▲ Expanded Barren Ridge Switching Station
 - ▲ New Haskell Canyon Switching Station
 - 230 kV Transmission Line - 3-Circuit Tower (Barren Ridge Substation to Haskell Canyon Substation)
 - 230 kV Transmission Line - 2-Circuit Tower (Barren Ridge Substation to Haskell Canyon Substation)
 - Reconductoring (Barren Ridge Substation to Rinaldi Substation)
 - New 230 kV Circuit on Existing Towers (Haskell Canyon Substation to Castaic Power Plant)
- Transportation Features**
- Divided Highway
 - Major Highway
 - Major Road
 - Local Road
 - Railroad
 - Pacific Crest National Trail
- Administrative Boundaries**
- County Boundary
 - City Boundary
- Land Jurisdiction Features**
- Bureau of Land Management
 - Department of Defense
 - USDA Forest Service
 - State of California
