Project Title: Haynes Generating Station Units 3 through 6 Demolition Project

Project Location (include county): 6801 East 2nd Street, Long Beach, Los Angeles County

Project Description:

The project will remove Units 3, 4, 5, and 6, which were originally constructed more than 5 decades ago, to minimize health and safety risks and reduce future maintenance. Although these units were operationally decommissioned, the units were left physically in place. Tanks D and E, which are empty and have been cleaned, will also be removed. In addition, various ancillary facilities will be demolished as part of the project. Construction will take approximately 2.5 years. All work will occur within the existing Haynes Generating Station.

This is to advise that the Los Angeles Department of Water and Power has approved the above described project on October 17, 2017 and has made the following determinations regarding the above described project:
