

# Home Energy Improvement Program

## Description

LADWP's Home Energy Improvement Program (HEIP) offers free energy efficient upgrades for residential customers and their families, designed to help reduce their energy bills by making their homes more energy efficient.

Through the program, an assessment of a customer's home will be performed by one of our trained technicians to identify the most appropriate and effective improvements available.

## How to Apply

Customers must complete a one-page application which can be downloaded at [www.ladwp.com/heip](http://www.ladwp.com/heip).

## Eligibility

Applicants must be an LADWP residential customer.

\*Property must be Single-Family, Multi-Residential (4 units or less), Condo, or Townhome

\*Property must not have previously participated in the program
