NOTICE POSTED: DATE: _____ TIME: _____

LADWP keeps the majority of the City of Los Angeles land open to the public for recreational use and enjoyment. LADWP is part of the Eastern Sierra Sustainable Recreation Partnership, Camp Like A Pro, which aims to provide resources and alerts for camping in Inyo and Mono Counties to support watershed and land resource protection across the Eastern Sierra.

There are 12 campgrounds located on City of Los Angeles land in the Eastern Sierra - 10 are in Inyo County and 2 are in Mono County. There are also numerous campgrounds available on non-City of Los Angeles-owned lands throughout both counties.

LADWP leases campground sites in Inyo County to the County who operates and maintains the facilities.

Those facilities include:

Baker Creek
Brown's Owens River
Brown's Schober Lane
Crowley Lake South Landing

Diaz Lake
Glacier View
Independence Creek
Millpond Recreation Area

Pleasant Valley
Taboose Creek
Tinemaha
Portuguese Joe Lone Pine
