

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
<b>Power System - Construction (Invitation for Bid)</b>					
Power Engineering	Truesdale - Building Automation System, Control Upgrade, and TAB / 238220	Construction (IFB)	Apr-2026	\$450,000	This Invitation for Bid is for the purchase of services and materials for installation, programming, testing, adjusting, balancing, and configuring the new Building Automation System HVAC control system
<b>Power System - Materials (Invitation for Bid)</b>					
Power Capital Projects and External Generation	Surge Arresters, Station Class, Polymer, 144KV and 353KV MCOV / 423610	Materials (IFB)	Jan-2026	\$1,000,000	This Invitation for Bid is for the purchase of surge arrestors and associated parts
Advanced Technology Infrastructure (Org 52)	Line Monitors / 334290	Materials/ Services (IFB)	Feb-2026	\$4.6M	Overhead line monitoring devices and accessories, with 3 years of warranty and cellular services
Advanced Technology Infrastructure (Org 52)	Line Monitors / 334290	Materials/ Services (IFB)	Feb-2026	\$4M-\$5M	Underground line monitoring devices and accessories, with 3 years of warranty and cellular services
Supply Chain Services	Cable Cutters / 423840	Materials (IFB)	Feb-2026	\$600,000	This Invitation for Bid is for the purchase of various cable cutters, ratchets, and ringers
Power Construction and Maintenance	Vertical Boring & Milling Machine / 333517	Materials (IFB)	Mar-2026	\$1,500,000	This Invitation for Bid is for the purchase of a table type vertical boring and milling machine along with training services
Power Engineering	Modular Office Building for Castaic Power Plant / 321991	Materials (IFB)	Mar-2026	\$1,000,000	This Invitation for Bid is for the purchase of a modular office building and installation services
Power New Business and Electrification	Main Service Equipment at Normandie & Van Nuys E-hubs / 423610	Materials (IFB)	Mar-2026	\$600,000	This Invitation for Bid is for the purchase of switchboards
Power Transmission and Distribution	Wathour Smart Meters / 423610	Materials (IFB)	Mar-2026	\$40,000,000	This Invitation for Bid is for the purchase of various Advanced Metering Infrastructure (AMI) meters and associated accessories
Power Capital Projects and External Generation	34.5-kV Disconnect Switches for Various RS and DS / 335313	Materials (IFB)	Mar-2026	\$1,500,000	This Invitation for Bid is for the purchase of 34.5-kV disconnect switches
Power Capital Projects and External Generation	Transformers, Power, 160-MVA, Three-Phase, 230-kV/138-kV for Various Receiving Stations / 335311	Materials (IFB)	Mar-2026	\$28,000,000	This Invitation for Bid is for the purchase of transformers, spare parts, and manufacturer representative services

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
Power Capital Projects and External Generation	Battery System and Battery Charger / 335911	Materials (IFB)	Apr-2026	\$1,200,000	This Invitation for Bid is for the purchase of battery systems and battery charger power systems
Power Capital Projects and External Generation	138-kV & 230-kV Disconnect Switches / 335313	Materials (IFB)	May-2026	\$5,000,000	This Invitation for Bid is for the purchase of 138-kV and 230-kV disconnect switches
Power Capital Projects and External Generation	Circuit Breakers, Vacuum, 15-kV / 335313	Materials (IFB)	May-2026	\$4,500,000	This Invitation for Bid is for the purchase of 15-kV vacuum circuit breakers
Power Engineering	Hydrogen Gas and Storage Units / 325120	Materials (IFB)	May-2026	\$1,400,000	This Invitation for Bid is for the purchase of hydrogen gas
Supply Chain Services	Kit, Splice, Termination, Transition, and Elbow Adapter / 335931	Materials (IFB)	May-2026	\$2,500,000	This Invitation for Bid is for the purchase of splice and termination kits along with transitions and elbow adapters
Power Capital Projects and External Generation	Wire and Cable, 600 Volts for Substations / 423610	Materials (IFB)	Jul-2026	\$5,000,000	This Invitation for Bid is for the purchase 600 volt wire and cable with various gauges
Power Capital Projects and External Generation	Hot and Cold Asphalt Mix / 324121	Materials (IFB)	Jul-2026	\$3,900,000	This Invitation for Bid is for the purchase of hot mix and cold mix asphalt concrete
Power Capital Projects and External Generation	Electrical Connectors for Overhead Power Distribution Lines / 423610	Materials (IFB)	Sep-2026	\$3,000,000	This Invitation for Bid is for the purchase of various types of connectors
Power Capital Projects and External Generation	Pole Line Hardware / 332313	Materials (IFB)	Oct-2026	\$1,000,000	This Invitation for Bid is for the purchase of pole line hardware, such as bolts, braces, brackets and more
Power Capital Projects and External Generation	Medium Voltage Cable for Federally Funded Projects / 423610	Materials (IFB)	Dec-2026	\$14,500,000	This Invitation for Bid is for the purchase of medium voltage cable
Power Capital Projects and External Generation	Instrument Transformers / 335311	Materials (IFB)	Dec-2026	\$2,200,000	This Invitation for Bid is for the purchase of instrument transformers
Power Capital Projects and External Generation	Medium Voltage Ethylene-Propylene-Rubber (EPR) Insulated Cable / 423610	Materials (IFB)	Dec-2026	\$18,500,000	This Invitation for Bid is for the purchase of medium voltage cable
Power Capital Projects and External Generation	Transformers, Power, 100/130/160-MVA, Three Phase, 230-kV/138-kV for Various RS / 335311	Materials (IFB)	Jan-2027	\$21,500,000	This Invitation for Bid is for the purchase of 34.4-kV power transformers

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
<b>Power System - Services (Invitation for Bid)</b>					
Power Supply Operations	Castaic 10T Crane Replacement / 333923	Services (IFB)	Mar-2026	\$250,000	This Invitation for Bid is for the purchase and installation of a 10 ton crane
Power Transmission and Distribution	Services for Construction of Electrical Underground Conduit and Substructures / 237130	Services (IFB)	Apr-2026	\$500,000,000	This Invitation for Bid is for the purchase services to install, remove, and relocate electrical underground conduit and substructures
Power Construction and Maintenance	Pavement Repairs and Site Improvements / 237310	Services (IFB)	Sep-2026	\$3,000,000	This Invitation for Bid is for the purchase of services to resurface and conduct asphalt concrete road repairs and improvements within the LADWP's properties and rights-of-way
<b>Power System - Professional Services (Request for Proposal)</b>					
Power Advanced Technologies Infrastructure	Software Enhancements, Maintenance and Upgrades for LADWP's Outage Management System and Mobile Dispatch System / 541511	Professional Services (RFP)	Feb-2026	\$8,500,000	LADWP is requesting proposals to secure maintenance, support, and additional licensing of software for the Outage Management and Mobile Dispatch Systems
Power Capital Projects and External Generation	PT&D Traffic Control / 561990	Professional Services (RFP)	Feb-2026	\$52,000,000	LADWP is requesting proposals to provide professional traffic control services on an as needed basis within LADWP's service territory
Power Advanced Technologies Infrastructure	AMI Implementation Program for LADWP Operations / 334514	Professional Services (RFP)	Feb-2026	\$95,000,000	LADWP is requesting proposals to implement a full Advanced Metering Infrastructure (AMI) program
Power Engineering	Encino Floating Solar Pilot Project / 221114	Professional Services (RFP)	Mar-2026	\$10,000,000	LADWP is requesting proposals for the design, material procurement, staging, and construction of a 3-megawatt-AC floating photovoltaic system on the Encino Reservoir
Power Capital Projects and External Generation	Large Power Transformers / 335311	Professional Services (RFP)	Mar-2026	\$732,000,000	LADWP is requesting proposals to furnish large power transformers and variable shunt reactors

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
Power Engineering	Repair, Maintenance and Specialized Services for Generating Stations and Power System Equipment / 811310	Professional Services (RFP)	Mar-2026	\$25,000,000	LADWP is requesting proposals for licensed and qualified service providers that can provide as-needed parts and repair, maintenance, installation, specialized services, and support
Power Engineering	Haynes Unit 8 Retrofit Project / 333611	Professional Services (RFP)	Apr-2026	\$160,000,000	LADWP is requesting proposals for an Engineer-Procure-Construct (EPC) Contractor to perform the Haynes Unit 8 retrofit
Power Advanced Technologies Infrastructure	Power Work Management Information System (WMIS) Platform Upgrade / 541512	Professional Services (RFP)	May-2026	\$29,500,000	LADWP is requesting proposals to upgrade the current Power Work Management Information System (WMIS) software platform and migrate to cloud-based infrastructure
Power Capital Projects	Switching Stations Physical Security Upgrade Project / 238190	Professional Services (RFP)	Jun-2026	\$50,000,000	LADWP is requesting proposals for the engineering, procurement, and construction related to physical security upgrades at two LADWP facilities.
Power Advanced Technologies Infrastructure	Power Work Management Information System (WMIS) Platform Upgrade / 541512	Professional Services (RFP)	Jul-2026	\$29,500,000	LADWP is requesting proposals to upgrade the current Power Work Management Information System (WMIS) software platform and migrate to cloud-based infrastructure
Advanced Technology Infrastructure	AMI Implementation Program for LADWP Operations / 517919	Professional Service (RFP)	Jul-2026	\$400,000,000	LADWP seeks professional services for the deployment/installation of Advanced Metering Infrastructure (AMI) – and supporting the work associated with deployment such as warehousing, inventory management, and customer engagement – for both electric and water AMI meters

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
Power Advanced Technologies Infrastructure - Meter Services and Field Operations	Backing, Parking & Close Quarter Maneuvering Training / 611692	Professional Services (RFP)	Nov-2026	\$1,300,000	Training to teach drivers how to make smart decisions while backing, parking, and maneuvering larger vehicles near fixed objects and in tight spaces. Training to include a combination of classroom learning and behind-the-wheel demonstrations and exercises to cover techniques for how to avoid backing, driving while backing, proper mirror adjustment, vehicle blind spot determinations, and turn maneuvering
Advanced Technology Infrastructure	Line Monitor Program / 541411	Professional Services (RFP)	Dec-2026	TBD	Develop pilot projects to expand line monitor vendors and products. Procure materials, software, cellular services, warranties, maintenance and repair services, etc. Implement integrations between vendors' systems, Supervisory Control (SCADA), and Distribution Automation (DA) mesh network
