

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
<b>Water System - Construction (Invitation for Bid)</b>					
Water Engineering & Technical Services	City Trunk Line North Unit 2: Pipe Jacking, Slip lining, and Transitional Open Trench Construction / 237110	Construction (Spec)	Apr-26	\$77,000,000	Installation of Welded Steel Pipe from Terra Bella to City Trunk Line Unit 1 connection along Canterbury Avenue east of Nagle Street. The construction will be done by LADWP Trunk Line Construction group and Contractor will tunnel, slip line and transitional open trench.
Water Engineering & Technical Services	Sewer House Connection for Unified Utility Rebuild Operations Center (UUROC) / 237110	Construction (Spec)	Apr-26	\$150,000	Installation of single sewer House Connection lateral to support relocation of UUROC in Pacific Palisades
Water Engineering & Technical Services	LA Reservoir Outlet Pipe New Coating Installation / 237110	Construction (Spec)	May-26	\$2,500,000	Relining 1,000 linear feet of 120-inch diameter pipe with polyurethane
Water Engineering & Technical Services	LAAFP Ozone Generators A & F Replacement / 237110	Construction (Spec)	May-26	\$5,000,000	Replacement of 2 Ozone Systems at the LA Aqueduct Filtration Plant (LAAFP)
Water Engineering & Technical Services	Western Trunk Line - Phase 1 / 237110	Construction (Spec)	Jun-26	\$140,000,000	Replace approximately 23,300 feet of riveted-steel, concrete, and welded-steel pipes with 36-inch and 54-inch welded steel pipe and earthquake resistant ductile iron pipe
Water Engineering & Technical Services	River Supply Conduit Connecting Trunk Line Construction / 237110	Construction (Spec)	Jun-26	\$23,000,000	Installation of 1,400 linear feet of 60-inch welded steel pipe, a pressure regulator station, a pressure relief station, and isolation valves
Water Engineering & Technical Services	Foothill Trunk Line Unit 3 / 237110	Construction (Spec)	Jun-26	\$120,000,000	Pipe jacking, striping, drilling, and paving services for the Foothill Trunk Line project
Water Engineering & Technical Services	Redmont Pump Station and Tank / 237110	Construction (Spec)	Jul-26	\$30,000,000	Demolition of existing pump station and tank, and installation of new pump station and tank
Water Engineering & Technical Services	Manhattan Wells OSHG and Filtration Project Spec Start Up / 237110	Construction (Spec)	Sep-26	\$18,000,000	Construct On-Site Hypochlorite Generation (OSHG) station to replace existing gaseous chlorination station at Manhattan Wellfield

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
Water Engineering & Technical Services	Mission Wells Chloramination Station / 237110	Construction (Spec)	Oct-26	\$15,000,000	Construction of a new single story on-site hypochlorite generation station, security, and civil improvements
Water Engineering & Technical Services	City Trunk Line North Unit 1 / 237110	Construction (Spec)	Feb-27	\$160,000,000	Installation of 20,500 feet of 54-inch earthquake resistance ductile iron pipe
Water Engineering & Technical Services	Topham Trunk Line / 237110	Construction (Spec)	Mar-27	\$215,000,000	Replace approximately 23,300 feet of the existing Topham trunk line with 36-inch diameter pipe
<b>Water System - Materials (Invitation for Bid)</b>					
Water Distribution	Metal Seated Gate Valves / 322911	Materials (IFB)	Apr-2026	\$4,700,000	One-year contract with two optional one-year extensions to procure 6"-36" Double Disc Gate Valves and Solid Wedge Gate Valves
Water Distribution	Earthquake Resistant Ductile Iron Pipe and Appurtenances for the Roscoe Trunk Line Unit 1 / 331210	Materials (IFB)	Apr-2026	\$5,000,000	Spot purchase to procure high performance 48" diameter Earthquake Resistant Ductile Iron Pipe and Appurtenances for the Roscoe Trunk Line Unit 1 Project
Water Distribution	Welded Steel Pipe and Appurtenances for the De Soto Trunk Line Phase 1 / 332996	Materials (IFB)	Apr-2026	\$13,700,000	Spot purchase to procure 54" diameter Welded Steel Pipe and Appurtenances for the De Soto Trunk Line Phase 1 Project
Water Distribution	42 Inch Butterfly Valves/ 332911	Materials (IFB)	Apr-2026	\$250,000	Spot purchase to procure Butterfly Valves
Water Distribution	Resilient Wedge Gate Valves / 332991	Materials (IFB)	Apr-2026	\$4,800,000	One-year contract with two optional one-year extensions to procure resilient wedge gate valves
Water Distribution	Copper Tubing / 423840	Materials (IFB)	Apr-2026	\$2,000,000	One-year contract with two optional one-year extensions to procure copper tubing
Water Distribution	Vaults and Parts / 332999	Materials (IFB)	Apr-2026	\$4,800,000	One-year contract with two optional one-year extensions to procure vaults with installation hardware and replacement parts
Water Distribution	Combination Air Vacuum Valves / 423840	Materials (IFB)	May-2026	\$150,000	Combination Air Vacuum Valves for Roscoe Trunkline Replacement Project and De Soto Trunkline Replacement Project
Water Distribution	Ductile Iron Fittings / 332996	Materials (IFB)	Jul-2026	\$2,500,000	One-year contract with two optional one-year extensions to procure ductile iron fittings

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
Water Distribution	Lead-Free Brass Fittings / 238220	Materials (IFB)	Nov-2026	\$150,000	One-year contract with two optional one-year extensions to procure lead-free brass fittings
Water Distribution	Waterworks Fittings / 332996	Materials (IFB)	Jan-2027	\$2,000,000	One-year contract with two optional one-year extensions to procure waterworks fittings
Water Distribution	Service Saddles / 332996	Materials (IFB)	Jan-2027	\$2,000,000	One-year contract with two optional one-year extensions to procure service saddles
Water Distribution	Valves, High Pressure Detector Check / 332911	Materials (IFB)	Apr-2027	\$1,700,000	One-year contract with two optional one-year extensions to procure high pressure detector check valves
<b>Water System - Services (Invitation for Bid)</b>					
Water Distribution	BARE CRANE RENTALS / 532412	Services (IFB)	Apr-2026	\$2,500,000	One-year contract with two optional one-year extensions for Bare Crane Rental with Optional Operator Services
Water Distribution	BARE FORKLIFT RENTALS / 532412	Services (IFB)	Apr-2026	\$500,000	One-year contract with two optional one-year extensions for Bare Forklift Rental
Water Distribution	Vacuum Excavation Service/ 238910	Services (IFB)	Apr-2026	\$5,000,000	One year contract with 2 one-year optional extensions for Vacuum Excavation Service
Water Distribution	Parts and Services for Mueller Equipment/423840	Services (IFB)	Apr-2026	\$850,000	One-year contract with two optional one-year extensions for Mueller Equipment parts and services
Water Distribution	Flexible Fabric Reinforced Pipe Rehabilitaiton Services / 326122	Services (IFB)	Aug-2026	\$2,000,000	One-year contract with two optional one-year extensions for 8"-26" Water mainline FFRP rehabilitation services, including materials, pipeline testing, inspection, and cleaning
Water Distribution	Encoder Receiver Transmitters (ERTs)/517919	Services (IFB)	Mar-2027	\$4,500,000	One-year contract with two optional one-year extensions for ERT equipment and maintenance
Water Distribution	Trench Shoring, Traffic Plates, and Traffic Control Equipment, Bare Rental/532412	Services (IFB)	Apr-2027	\$5,000,000	One-year contract with two optional one-year extensions for trench plate and traffic control equipment rentals

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
<b>Water System - Professional Services (Request for Proposal)</b>					
One-year contract with two optional one-year extensions for ERT equipment and maintenance+A40: F46	Water Recycling Pure Water LA - Expert Panel for Water System Infrastructure Programs Strategic Planning / 541330	Professional Services (RFP)	Apr-26	\$10,000,000	The Expert Panel, composed of water/wastewater industry policy and technical experts, will serve LADWP on an as-needed basis to advise LADWP on high level water supply strategic planning and will support in identifying strategies to increase water supply resiliency, navigating a variety of water policy issues, meeting state and local mandates, and meeting organizational strategic planning goals
Water Quality	Water Quality Professional & Technical Evaluation Services of Advanced & Emerging Technology / 541330	Professional Services (RFP)	Apr-26	\$10,000,000	Professional services and technical services for evaluation of advanced and emerging technologies for water quality. Task assignments may include but are not limited to groundwater remediation, online sensors and monitoring devices, water quality inquiries from customers, expert advisory panel, green technology, sustainable treatment technology, expert assistance and training, water supply resiliency, and regulatory compliance.
Water Engineering & Technical Services	Pure Water LA - Program Management RFP / 54161	Professional Services (RFP)	May-26	\$40,000,000	The Pure Water Los Angeles Program Management RFP will assist LADWP with our broad-scale Water System Program Management framework and aid Program Delivery to ensure that LADWP can efficiently achieve its long-term strategic objectives
Water Engineering & Technical Services	Design/Build Services for Mid-Valley Facility / 541330, 236210, 236220, 541310	Professional Services (RFP)	May-26	\$476,000,000	Engineering and construction services to assist in the initiation, planning, design, permitting, procurement, construction, commissioning, and close out of the Mid-Valley Facility Project

## Future Contract Opportunities

Division	Title/NAICS	Procurement Type	Target Advertise Date	Estimated Amount	Description
Water Engineering & Technical Services	Grant Lake Program - Progressive Design Build / 237110	Professional Services (RFP)	Jul-26	\$140,000,000	The Program includes the Spillway Modification, Siphons Outlet, and Outlet Valve Replacement Projects
Water Engineering & Technical Services	Owner's Agent Services for Western District Yard Renovation / 541330, 236210, 236220, 541310	Professional Services (RFP)	Sep-26	\$8,200,000	Engineering and construction services to assist in the initiation, planning, design, permitting, procurement, construction, commissioning, and close out of the Western District Yard Renovation Project
Water Engineering & Technical Services	Design/Build Services for Western District Yard Facility / 541330, 236210, 236220, 541310	Professional Services (RFP)	Oct-26	\$308,000,000	Design and construction services for the renovation of the Western District Yard facility

Note: New opportunities are highlighted in yellow.
